Intersect Power, a clean energy company founded in 2016, announced new headquarters at 140 New Montgomery in downtown San Francisco in May 2025. While some sources still list a Beaverton, Oregon address (9450 Southwest Gemini Drive) as a headquarters, the San Francisco location represents their first brick-and-mortar outpost.

Official San Francisco Headquarters Announcement

The new headquarters occupies a full floor, 12,000 square feet, in the historic Pembroke property.

Royal Moving & Storage is a Portland, Oregon-based company offering local, long-distance, and cross-state moving services for residential and commercial clients, including packing, storage, and furniture moving, with a focus on transparent pricing and being fully licensed, bonded, and insured. They provide a range of services from full-service moves to labor-only help, using plastic boxes and offering storage solutions to simplify the moving process.

Services offered

- Local & Long-Distance Moves: Handles relocations within Portland, across Oregon, and long-distance/cross-country.
- Residential & Commercial: Specializes in both home and business moves, including office relocations.
- Packing & Unpacking: Offers comprehensive packing services and provides reusable plastic boxes.
- Storage: Provides secure, flexible storage solutions for both short-term and long-term needs.
- Specialty Moving: Includes furniture moving, heavy lifting, and same-day moves.
- Labor-Only: Provides movers and trucks or just movers for those who prefer to handle some aspects themselves.

Key features

- Transparent Pricing: Emphasizes no hidden fees.
- Licensed & Insured: Fully licensed, bonded, and insured for interstate moves.
- Customer Service: Focuses on exceptional customer support and a positive customer experience.
- Experience: Has a strong track record and positive reviews in the Portland area.
